

The Linda Project

A child has the right to be a child!

Newsletter nr. 3 – December 2024

Dear friends and other interested parties,

Here we are again with the latest news from Lira, Northern Uganda.

It is almost the end of the year again, how time flies.

The children are all back home for their big vacation, in Uganda the school year runs from February to December. They have all been promoted. Dinah took her final exams at O level and is still waiting for the results.

Everyone always gets **new clothes** for Christmas. This year we decided that they are old enough to go shopping by themselves. So, everyone got 50,000 sh. (€12.50)

In the Netherlands, **churches** are almost empty, with a few exceptions. In Lira, it is different.

There are many different faiths, and everyone respects each other's faith.

Christians can be divided into Catholics, Anglicans, Pentecostals, 7th day Adventists. Then there are Muslims, Hindus, Jews. And perhaps even more denominations. Muslims pray on Friday, 7th day Adventists and Jews pray on Saturday and the Anglicans, Pentecostals and Catholics pray on Sunday in their respective churches. Services are also held on other days. The faith is alive.

We can learn something from that.

When the students take their final exams, there is always a prayer service at the school. All faiths pray together for a good result. **(dedication prayers)**

On the website you can find the **social annual report of 2023**. You can find this under "publications", annual reports.

Let us entrust The Linda Project to God during this Christmas season. (our dedication prayer).
So that we will be able to take care of everything
and everyone again in the coming year.

Thank you very much everyone, for your unwavering support.

We wish you a blessed Christmas Season and a happy 2025
